

Journal of The Institution of Engineers (India): Series A

Volume 106 · Issue 4 · December 2025

CB
299

ORIGINAL CONTRIBUTIONS

Discharge Patterns and Trends in the Jhelum River Basin: A Statistical and Spatial Analysis

H. Hamid · S. Samantaray 1043

Rainfall Forecasting Model for Amaravathi Basin Using Machine Learning Approach

R. Nirranjana · R. Aishwarya · S. Tejshree · K.S. Gayathri · S. Natarajan · P. Thirunavukkarasu 1067

Effect of Location of Link Structure in Conjoined Multi-storied Building

M.R. Patel · P.V. Patel 1081

Smartphone-Sensor Based Dynamic Time Warping Framework for Enhanced Pothole Detection

S. Koul · L. Janani · K. Asthana · H. Mushtaq · M. Alvi · D. Kaushik 1097

Comparative Study of Plasma-Activated Water Produced by Atmospheric Pressure 2.45 GHz Microwave Plasma and Dielectric Barrier Discharge for Enhancing Food Preservation and Plant Growth

V. Rathore · K. Nigam · C.N. Patil · M. Nisoa · S.K. Nema 1109

Influence of MSR on Seismic Response of Different Percentage Staggered Rebar Lap Spliced RC Walls

A. Kumar · G.A. Rao 1121

Profiling Partial Sleep Deprivation Among Indian Long-Haul Truck Drivers: A Pathway to Enhanced Road Safety and Occupational Well-Being

L. Janani · M.S. Mir · A.J. Mir 1133

Analysis of Century Old Masonry Tower of Indo-Sarascenic style: Visual Inspection, NDT and FEM

A. Kumar · K. Pallav 1147

Assessing the Effectiveness of CA Integrated Models for Land Use Land Cover Prediction: A Comparative Analysis

A. Stephen · M. Renganathan 1179

New Technique for Evaluating Concrete Strength through Non-Destructive Testing

M.D. Kevadkar · G.A. Hinge · S.A. Bhilare · K. Parvez 1201

A 3D Noise Hotspot Mapping Approach Using GIS Tools for Urban Roads in India

K. Anjana · A.P. Alex · V.S. Manju 1209

A Methodological Approach for Urban Sustainability Assessment of Indian Cities: A Case of Jaipur

A. Saraswat · A. Kumar · S. Pipralia 1221

Multi-nozzle Atomization Characteristics of Contact Electrostatic Spray with Experimental Study

C. Zhang · Z. Luo · J. Gong · Y. Zhang 1243

Impact of Indoor Fungal Growth on Building Materials in Coastal Karnataka: A Comparative Study of Traditional and Modern Construction

M. Ara · I.P. Das · R. Nayak 1255

Statistical and ANN Modeling of Groundnut Seed Metering Unit Performance and Optimization Using TOPSIS

B.U. Balappa · B.S. Dayananda · P.A. Dinesh · R. Suresh 1269

Numerical Investigation of Two-Phase Flow Through Non-Prismatic Compound Channel

P.P. Roul · D.P. Satapathy · P.D. Roul · S.B.B.P.J. Sahu · B.P. Mishra · M.K. Roul 1281

REVIEW PAPERS

Urbanization and Plywood Demand: Evaluating Air Quality, Waste, and Health concerns in the Indian Context

S. Tangellamudi · V. Radhakrishnan · A. Vikraman · S. Maiti · P. Kundu 1297

A Review on Water Management Strategies for Sustainable Development of Tomorrow

R.S. Tyagi · S.K. Singh · P.K. Goyal 1311

CASE STUDIES

Combined Strategy to Treat Kitchen Waste and Greywater Streams Using Anaerobic Digestion for Bioenergy Recovery in an Institutional Campus Community in India

A. Isha · T.C. D' Silva · R. Chandra · P.M.V. Subbarao · V.K. Vijay 1325
